

The team behind Inspiration are proud to announce a new term of Echo Newcastle

This term will once again give you the chance to be coached and directed by your very own Mark Deeks, giving you another singing opportunity each week, and chance to use the technical skills you have learnt in Inspiration, but in different repertoire and with a smaller, more intimate number of singers. It will also give you chance to work much more closely with Mark who has specialist knowledge of a wide range of pop and rock styles which Echo in Newcastle will use to the full.

Now that's what I call Echo 2

Echo Newcastle presents our very own 'best of' show featuring just a few of the highlights from the first five years of Echo. And just like any greatest hits collection, there are sure to be a couple of new bonus tracks!
